(l) Definitions. Definitions for all terms contained on the Performance Fact Sheet shall be included as part of the Performance Fact Sheet, in the same format as required in subdivision (a). The following are the definitions for the Performance Fact Sheet:

"Number of Students Who Began Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

"Graduates Unavailable for Employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

"Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

"Salary" is as reported by graduate of graduate's employer.

"No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Student's Right to Cancel

Cancelling on Or Before The First Day Of Class

If tuition and fees are collected in advance of the start date of classes and the Student does not begin classes or withdraw on the first day of classes, Gnomon retains the non-refundable Enrollment Deposit of \$125.00 and will process a refund for all other tuition and fees paid. Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) The Student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Gnomon shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day of enrollment, whichever is later.
- 2) Cancellation shall occur when the Student gives written notice of cancellation to Gnomon, Attn: Registrar, 1015 North Cahuenga Boulevard, Los Angeles, CA 90038, or by email: registrar@gnomon.edu.
- 3) Written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage pre-paid. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the Student no longer wishes to be bound by the Agreement. The Student may request a form from the administration office.
- 4) If the School has given or loaned the Student any equipment, assets, or library resources, the Student shall return the item(s) to the School within 30 days following the date of notice of cancellation per the terms of the Library Borrower Agreement.
- 5) If the Student has received federal student financial aid funds, the Student is entitled to a refund of monies not paid from federal student financial aid program funds.
- 6) Cancellation of this agreement can occur up to: _____(date)

Withdrawing After the First Seven (7) Days After Enrollment

- 1) You have the right to withdraw from the program of instruction at any time.
- 2) After the cancellation period, Gnomon will provide a pro-rata refund of nonfederal student financial aid program monies paid to students who have completed 60% or less of the period of attendance within the current quarter. The period of attendance is defined as a 10-week term of instruction. The program includes a defined number of 10-week quarters. Students who withdraw from the program are not financially obligated beyond the current quarter.
- 3) If the Student withdraws from any course after midnight of the seventh day after enrollment, the School will calculate the amount owed for the time attended according to the following formula: The amount owed shall be determined on a pro-rata basis if completion of 60% or less of the period of attendance depending on how many days remain at withdrawal from the course(s). After Gnomon computes the amount owed for time attended, the School will retain the non-refundable Enrollment Deposit of \$125.00 and the STRF fees (when applicable).
- 4) For the purpose of determining a refund, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:
 - a) The Student notifies the Registrar in writing or via email of the date of intent to withdraw.
 - b) The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; and/or failure to meet financial obligations to the school.
 - c) The student does not return from a leave of absence.
 - d) The student fails to attend classes for 14 consecutive days.
- 5) For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed as the last date of recorded attendance. A pro-rata refund shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows: The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal.

- 6) For programs beyond the current payment period, students who withdraw prior to the next payment period, all charges collected for the next period will be refunded. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.
- 7) If the amount paid is more than the amount owed for the time attended, then a refund will be issued within 45 days. If the amount owed is more than the amount paid, arrangements must be made to pay the balance due.
