

## Summary of Graduation and Employment Statistics

Required Annual Reporting to Accreditation

### ACCSC

Gnomon is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC). ACCSC is recognized by the United States Department of Education as a private, non-profit, independent accrediting agency that provides accreditation to institutions that are predominantly organized to educate students for occupational, trade and technical careers. ACCSC’s mission is to serve as a reliable authority on educational quality and to promote enhanced opportunities for students by establishing, sustaining, and enforcing valid standards and practices which contribute to the development of a highly trained and competitive workforce through quality career-oriented education.

As a condition of accreditation, Gnomon reports student data to the Commission annually:

- Graduation - how many students start vs. how many students complete each program
- Employment - how many completers get jobs related to the training received at Gnomon
- Timeframe - School year (Fall, Winter, Spring and Summer), Term – 1 quarter is 10 weeks
