

STUDENT CONDUCT POLICY

It is the intention of the Student Conduct Code to make clear the school's expectations of behavior by students. A productive environment for education and the wellbeing of the entire Gnomon community are supported through the principles of respect, social responsibility, integrity, and honesty. Students are responsible for their own conduct as well as for holding others accountable to these same expectations. Any student who engages in academic or social misconduct shall be subject to disciplinary action by the appropriate department of the school.

The Student Conduct code applies to students' behaviors both on and off campus if it is determined that a behavior affects another member of the community's safety, well-being, or learning environment. This can also apply to behavior that occurs through social media or other public online media. A student can be charged with a conduct violation while on a leave of absence. Gnomon reserves the right to withdraw from any student the privilege of attending Gnomon for any lawful reason that Gnomon deems appropriate.

In choosing to enroll at Gnomon, students become responsible for their conduct to those standards as stated in the Student Conduct Code. Gnomon may address student academic and non-academic misconduct through its own processes, and apply sanctions governing the terms of attendance and enrollment at Gnomon.

Students are responsible for reading and reviewing the Student Conduct Code, and for understanding the responsibilities assumed by enrolling at Gnomon. Gnomon reserves the right to respond to misconduct issues, whether law enforcement agencies are involved, and/or criminal charges are pending.
